CAMBY IN 46113

Dear Mr. Lasko:

The commission has reviewed the information provided by you concerning the William M. Lasko School of Log Building. The commission has determined that the William M. Lasko School of Log Building is not required to become accredited as its courses are for self-improvement purposes and do not lead to a vocational, business or professional objective.

Should any change in the institution's course offerings occur, the commission should be notified and a further review of the institution's status will be conducted.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sandra Guyer".
